## ★ Issue 14: Run m-files from other Java project

[← Previous](#)

1 person starred this issue and may be notified of changes.

**Status:** New**Owner:** ----**Type:** Defect**Priority:** MediumReported by [duraccio.vincenzo](#), May 23, 2013**What steps will reproduce the problem?**

1. I can't run "m-files" from other java project. It is possible?

**What version of the product are you using? On what operating system?**

I am on OSX and I use Eclipse Juno.
