★ Issue 4: clc doesn't clear the console

[< P](#)

1 person starred this issue and may be notified of changes.

Status: New**Owner:** ----**Type:** Defect**Priority:** Medium[Add a comment and
make changes below](#)Reported by [buys.etc](#), Dec 22, 2011**What steps will reproduce the problem?**

1. Type some commands into the console
2. Type clc and hit enter

What is the expected output? What do you see instead?

I would expect the console to clear. Instead nothing happens.

What version of the product are you using? On what operating system?

Matclipse version 0.5.0.201111161313 on Mac OS X 10.6 using Eclipse Indigo
